

**The Municipality of Fushë-Arrëz and OXFAM Italia**  
are pleased to announce the launch of the Project:  
**“The future of our community starts from education and environment”**

The project is financed by the Debt for Development Swap Agreement (IADSA) program. The specific objective of the project is to contribute to the reinforcement of the public school as a community centre in remote areas, by developing qualitative and inclusive education and promoting sustainable territorial development and social cohesion, in the Municipality of Fushë-Arrëz.

---

For the implementation of this Project, **The Municipality of Fushë-Arrëz** is seeking to recruit:
